

A Tribute to Lynyrd Skynyrd

History

-Formed in 1994, The Gator Alley Band has specialized in recreating the sound of the greatest American rock & roll band, Lynyrd Skynyrd! The band's philosophy has been to study and perform Lynyrd Skynyrd's music in such detail that if the audience were to close their eyes, they'd believe they were actually listening to the real Lynyrd Skynyrd!

Since then, those who have seen The Gator Alley Band have not been left disappointed, including the well known morning radio show hosts Lamont & Tonelli from SF's 107.7 "The Bone" who proclaim "The Gator Alley Band is note-for-note, Lynyrd Skynyrd!"

So, if you want a musical flashback of the monumental sound of Lynyrd Skynyrd, The Gator Alley Band is a must see!
